MATERIAL SAFETY DATA SHEET

Revised/ Reviewed: October 15, 2004

PROPHY-POL® PASTE

REF 395-70300 and 395-70115

A dental prophylaxis paste for normal cleaning, polishing, and plaque removal.

Section 1- Product and Company Information

Manufactured for: Miltex, Inc.; 589 Davies Drive, York, PA 17402

Information: 717-840-9335, 717-840-9347 (fax)

Chemical Name & Synonyms: Material is a mixture.

Chemical Formula: No information available

Section 2 – Composition/ Information on Ingredients

No known hazardous ingredients.

Section 3 - Health Identification

Potential Health Effects: No known adverse effects.

Primary Route(s) of Entry: Ingestion.

Carcinogen: No information available

Medical Conditions Aggravated by Exposure: No information available

HMIS Ratings: No information available

Section 4 - First Aid Measures

Eyes: Flush with water for at least 15 minutes. If irritation persists, seek medical attention.

Skin: No information available

Ingestion: Induce vomiting. Seek medical attention.

Inhalation: No information available

Section 5 – Fire Fighting Measures

Flash Point: No information available. Material is believed to be non-flammable.

Auto Ignition Temperature: Not applicable

Flammable Limits- Not applicable, material does not emit vapors.

Extinguishing Media: Material is believed to be non-flammable, use suitable for surrounding materials.

Special Fire Fighting Procedures: No information available

Unusual Fire and Explosion Hazards: No information available

Section 6 - Physical and Chemical Properties

Physical State: Solid (paste)

Appearance and Odor: Semi-dry, somewhat gritty paste with flavoring and fragrance.

Melting Point (°C): No information available

Specific Gravity (H₂O=1): No information available

Vapor Pressure (mm Hg): Not applicable, material does not emit vapors.

Vapor Density (Air=1): Not applicable, material does not emit vapors.

Evaporation Rate (butyl acetate=1): Negligible

Solubility in Water: No information available

pH: No information available

Section 7 – Stability and Reactivity

Stability: Stable

Conditions to Avoid: No information available

Incompatibility/ Materials to Avoid: No information available

Hazardous Polymerization: Will not occur.

Hazardous Decomposition Products: No information available

Section 8 – Accidental Release, Disposal, and Ecological Information

Spill Response: Sweep up and dispose of in normal manner.

Waste Disposal Method: Standard landfill methods consistent with all applicable federal, state, and local regulations.

Ecological, General: No information available

Section 9 – Exposure Controls/ Personal Protection

Eye Protection: Recommended per OSHA 29 CFR 1910.133

Respiratory Protection: No information available

Ventilation Recommendations: No information available

Skin Protection: No information available

Other: --

Section 10 – Storage and Handling

Storage: Store at normal room temperature.

Handling: No information available

Section 11 – Miscellaneous

Toxicological Information: No information available

Transportation Information: Not a DOT Hazardous Material

Other: --

Liability Disclaimer: MSDS information is provided based on OSHA's Hazardous Communication Regulation and for use of the persons required to receive this information under this regulation. The information is neither designed nor recommended for any other use or for use by any other person, including compliance with other laws. Miltex does not warrant the suitability for use of this MSDS for any other material or product not specifically identified herein. Miltex does not warrant the accuracy or authenticity of this MSDS unless it has been obtained directly from Miltex or posted or viewed on a Miltex website. This MSDS is based on information that is believed to be reliable, but may be subject to change as new information becomes available. Because it is not possible to anticipate all conditions of use, additional safety precautions may be required. Since the use of this material is not under Miltex's control, each user is responsible for making their own determination as to the safe and proper handling of this material in their own particular use of this material.
