## NEW AND IMPROVED McGIVNEY HEMORRHOIDAL LIGATOR

(FOR USE WITH BOTH LATEX-FREE & STANDARD LATEX O-RINGS)

28-154B (includes loading cone REF# 28-156)

28-155

28-152

### PRODUCT DESCRIPTION

Improved lightweight model with comfortable offset handle for controlled grip and better viewing access. The shaft with ligating drum can be rotated 360 degrees for correct positioning and is easy to disassemble for thorough cleaning. Stainless Steel loading cone facilitates placement of the O-ring bands onto the ligating drum. Compatible with Latex and Latex-Free ligating O-rings. (See reverse side for additional product details.)
